By train

Travel to Conwy railway station. Walk towards Lancaster Square, then follow Bangor Road to Conwy Library and Culture Centre at the corner of Town Ditch Road. Take the path through Bodlondeb Park towards the large stone Bodlondeb building. Allow around 10 minutes from the station.

By bus

Use Town Ditch, beside Conwy Library and Culture Centre, or Bodlondeb on Bangor Road, depending on your service and direction. The number 5 serves Conwy from Bangor and Llandudno. From the library, follow the path through Bodlondeb Park to the stone building. If you get off at Bodlondeb, use the pedestrian crossing on Bangor Road to reach the library and park path.

Use this entrance

At the building, use the dark oak double doors beneath the small pitched roof, beside the palm tree. These are the doors on the right in the photograph below. Please do not use the modern covered entrance further to the left.
